Data sensitive products? ☐ Yes ☐ No

If data sensitive products are to be included in shipments, such as CPUs, Notebook Computers, Tower Computers, etc. – EPRA will not be responsible for any loss of products, data or private information or shipped materials due to theft or misplacement of these materials that are being shipped to the recycler.

EPRA will not be responsible for any liability or hazardous material clean up due to inappropriate packaging or transportation damage. Any responsibility of transportation of shipment and/or hazardous material clean up remains with the R2R Retailer.

By signing below, I confirm that all the above statements are accurate and that I, the R2R Retailer, agree to accept all responsibility for the transportation of directly shipped materials. I also understand that once my application is approved, I, the R2R Retailer, will be assigned a Generator Code that will have to be used in all documents accompanying the directly shipped materials.
