PHASE 5 - OBLIGATED AS OF: June 1, 2026

OBLIGATED PRODUCTS	PRODUCT DEFINITION	STEWARD FEE	PRODUCTS INCLUDED IN THE OBLIGATED CATEGORY	PRODUCTS NOT INCLUDED IN THE OBLIGATED CATEGORY
SEWING/TEXTILE MACHINES	Portable/mobile electronic or electrical appliances and machines with a power cord, plug and/or battery(ies) used for embroidering, knitting, sewing, weaving or otherwise processing textiles.	\$6.75	<ul style="list-style-type: none">• Embroidery machines• Knitting machines• Overlock machines• Punching machines• Quilting machines• Sergers• Sewing machines	

NOTES:

1. Products included/excluded are examples based upon member inquiries but do not represent an exhaustive list of all obligated products by category. Members must assess products against the definitions of each obligated product category to determine the applicability and appropriate Steward fee, and may consult the program for assistance in clarification where required.
2. Products identified as 'Included in the Obligated Category' are subject to the Steward fee for that category; Products identified as 'Not Included in the Obligated Category' are not subject to the Steward fee for that category, however, members must consider all obligated product categories to determine if the product meets the definition of another obligated product category.
3. A product is excluded from any category if it weighs >200kg, is professionally installed, or cannot readily and safely be de-installed, transported and/or recycled.
4. There are two instances where multiple obligated products may be packaged by the original equipment manufacturer (OEM) in a single physical package carrying a single SKU (stock-keeping unit) and be subject to one Steward fee for the entire package of products:
 - a. Where the product definition above specifically includes multiple obligated products, e.g. Printer / Scanner / Fax (all-in-ones)
 - b. Where a product is comprised of different functional components that are sometimes sold separately, but in this case are integrated into a single operating unit. In this instance, the integrated product carries the single highest Steward fee, e.g. Display device with integrated video player (DVD, VCR, Blu-ray, etc.)
5. Program Phases and Product/Category Additions

Phase I

- All-in-One computer system (desktop CPU with integrated display device)
- Display device with integrated video player (DVD, VCR, Blu-ray, etc.)
- Printer / Scanner / Fax (all-in-ones)

Phase II

- Multiple drive players integrated into a single device – e.g. DVD & VCR player
- Fax machine with a corded telephone handset
- Telephone with built-in answering machine
- Security display monitor with built-in digital video recorder (DVR)

Phase III

- *Countertop microwave ovens*

Phase IV - Effective October 1, 2024

- Time Measurement Devices
- Weight Measurement Devices
- Air Treatment Appliances
- Garment Care Appliances
- Personal Care Appliances
- Kitchen Countertop Heating and Cooking Appliance
- Kitchen Countertop Motorized Appliances
- Kitchen Countertop Appliances For Making Hot Beverages
- Small Floor Cleaning Device

- Full Size Floor Cleaning Devices

Phase V - Effective June 1, 2026

- Small Battery-Powered Ride-On Toys
- Floor-Standing Printers, Copiers and Multi-Function Devices
- Electronic Toys
- IT and Telecom Equipment
- Uninterruptible Power Supplies (UPS)
- Micro Toys Electronic
- E-Bikes, E-Scooters 20 kg +
- E-Scooters < 20 kg
- Hand-Held Power Tools (Corded and Cordless)
- Sewing/Textile Machines

6. **The list of Product Definitions and Clarifications may be revised periodically by the Program.**
