Dear Michelle,

RE: Amendment to Newfoundland and Labrador Electronic Products Stewardship Plan as per Part V, Section 31.18 (f) (ix) of the *Waste Management Regulations, 2003*

The MMSB Board of Directors has approved the amended Electronic Products Stewardship Plan submitted by the Electronic Products Recycling Association (EPRA) in response to a change to the definition of electronic product and additional recovery targets. For your records, a copy of the approved stewardship plan is attached to this letter.

MMSB looks forward to continuing to work with EPRA towards the successful implementation of the electronics products' recycling program outlined in this stewardship plan.

Sincerely,

Ashley Delaney
Senior Program and Policy Analyst
